Footsteps Of The Messiah

Synopsis

Using the Book of Revelation as an end time road map, Dr. Fruchtenbaum weaves the prophetic writings of the Hebrew Scriptures and Messiah's teachings to reveal God's plan for the future of Israel and the world. Dr. Fruchtenbaum gathers the many pieces of the prophetic puzzle and places them in sequential order with the result summed up by Dr. Charles Ryrie in his foreword: Those who read this book cannot help but be instructed and stimulated by his work. Footsteps is detailed, thorough and scholarly, yet written in a style that the average reader can easily understand. With a wealth of wisdom drawn from his Jewish background and extensive research, the author even tackles the problem passages to provide a comprehensive overview of the entire range of prophetic truth.

Customer Reviews

If you want to progress from milk to meat, you have found your author, you have found your book! Once you become a student of Dr. Fruchtenbaum's, you will realize that you're studying God's Word the way He meant for you to study, and you will draw nearer to Him. You will desire to learn more. You will read no other author, because no one can parallel the teaching skill of Dr. Fruchtenbaum. Dr. Fruchtenbaum exemplifies one who is truly led by the Holy Spirit. His life, his writings, his speaking engagements around the world and his ministry are a reflection of his dedication. He is dedicated to doing the will of our Father; to share the gospel - salvation only through His Son, the Messiah. Dr. Fruchtenbaum faithfully uses his gifts; his mind, knowledge and his ability to teach, to glorify God. As a result of Dr. Fruchtenbaum's spirit led faithfulness, we are blessed! There is no

other author who could take you through each word of Revelations, offering only God's Word to support symbolism and understanding, and not his/her own personal commentary. His acquired knowledge of history, biblical archaeology, Greek and Hebrew and his personal knowledge of Jewish symbolism/culture/rabbinic traditions will take you from a bible study that just "snorkels" along the surface, to a "scuba-diving adventure" where the depth and beauty of God's Word comes alive at levels you couldn't believe existed. You'll probably have to "come up for air" a few times. If you have never read any of Dr. Fruchtenbaum's works before, rest in knowing we all have had to take some breaks to "gasp a few breaths". As the layers of God's Word are peeled away and so skillfully exposed to us by Dr. Fruchtenbaum, you recognize the depth of God's Word, and His love for us.
