Customer Reviews

Love the book, beautiful illustrations and wonderful story. I have the other two books in the trilogy (also outstanding) and was able to purchase them brand new, but not this book. My seller posted it as a former library book in "good" condition. It came with blacked out stickers on the front cover and several pages ripped near the back. Just not what I would classify as good condition. I guess I'll have to wait for another copy to come up and re-buy it then.

A wonderful book with great drawings. Very colorfull and well binded. Containsa few great Chinese legends in English. Great for children and adults!

Fabulous story, this book needs to be put back into print.
