Customer Reviews

"I've never seen anything go so fast." We heard this from a fan behind us when USAC brought the 'Thunder 'nd Lightening' division to a small dirt track outside of Richmond, KY. An old librarian's trick when a new subject comes their way is to go the children's section and read. Information and understanding is their goal, not prestige. Susan Sexton's SPRINT CAR RACING does this in spades, covering hand signals of the flagman, the great names of racing who have driven the sprints from the time they were open cockpit to the wings of today, and the festival of the sport that lives in the heart. Age is not a factor if you love racing. Nash Black, author of QUALIFYING LAPS and TRAVELERS.
