Geometrical Design Coloring Book (Dover Design Coloring Books)

Synopsis

A coloring book doesn't have to contain actual objects â " people, animals, flowers, landscapes â " to be fun to color, and this book proves that better than any. With the imaginative use of color applied to these geometric designs, striking and beautiful results can be achieved that you wouldn't have thought possible until you actually try them. Filled with pure patterns and abstract shapes, the 46 all-original designs in this eye-popping collection allow for absolute coloring freedom. Beautifully rendered, the detailed geometrical designs do not have any built-in color associations, so children and adults can play with an unlimited combination of colors.

Book Information

Series: Dover Design Coloring Books

Paperback: 48 pages

Publisher: Dover Publications; Clr Csm edition (June 1, 1973)

Language: English

ISBN-10: 0486201805
