Hearts And Hands: Chronicles Of The Awakening Church (History Lives Series)

Synopsis

Let history come to life - just the way it should do! Read the stories of the gifted preachers and justice fighters who led the 1st & 2nd Great Awakenings in the 18th and 19th centuries. Meet the American preacher who started a national revival in his tiny church. Spend time with the wealthy English politician and the former American slave woman who helped abolish slavery in their countries. Get to know the missionaries who built lasting Christian communities in China, India, and Africa. For the first 1700 years of the church, God's people had worked to define Christian teachings and secure their freedom to worship. Now they began to see, in a new way, how the power of the gospel should change their feelings both toward Jesus and their fellow human beings.

My ten year old loves this series. He started reading them in second grade to supplement his history curriculum. He's always chuckling as he reads these books and he rattles off details about different people in history. They help to make history come alive.

What a great resource!!!!!! Thank you!!!

My 8 year old son and I read this series together and we both learned a lot.
