The Complete Works Of Saint Augustine: The Confessions, On Grace And Free Will, The City Of God, On Christian Doctrine, Expositions On The Book Of Psalms, ... (50 Books With Active Table Of Contents)

Synopsis

â œMay the blessing of the Great Head of the Church accompany and crown this work."-Philip Schaff. This collection gathers together all, complete works by Saint Augustine in a single, convenient, high quality, and extremely low priced Kindle volume! This extraordinary omnibus of 50 books has all of the following works: Major Works: The City of God On Christian Doctrine The Confessions of Saint Augustine The Letters of Saint Augustine The Soliloquies Expositions on the Book of Psalms Our Lord's Sermon on the Mount, According to Matthew The Harmony of the Gospels On the Holy Trinity Lectures or Tractates on the Gospel According to St. John. Doctrinal Treatises: On Faith, Hope and Love (The Enchiridion) On the Catechising of the Uninstructed On Faith and the Creed Concerning Faith of Things not Seen On the Profit of Believing On the Creed: A Sermon to Catechumens Moral Treatises: On Continence On the Good of Marriage Of Holy Virginity On the Good of Widowhood On Lying Against Lying. To Consentius Of the Work of Monks On Patience On Care to be had for the Dead Anti-Pelagian Writings: On the Merits and Forgiveness of Sins, and on the Baptism of the Infants On the Spirit and the Letter On Nature and Grace On Manâ™s Perfection in Righteousness On the Proceedings of Pelagius On the Grace of Christ, and on Original Sin On Marriage and Concupiscence On the Soul and its Origins Against Two Letters of the Pelagians On Grace and Free Will On Rebuke and Grace On the Predestination of the Saints On the Gift of Perseverance Anti-Manichaeian Writings: On the Morals of the Catholic Church On the morals of the Manichaeans On Two Souls: Against the Manichaeans Acts or Disputation against Fortunatus the Manichean Against the Epistle of Manichaeus Called Fundamental Reply to Faustus the Manichean Concerning the Nature of Good, Against the Manicheans Anti-Donatist Writings: On Baptism Answer to Letters of Petilian, Bishop of Cirta On the Correction of the Donatists Sermons (Homilies): Ten Sermons on the First Epistle of John Sermons on Selected Lessons of the New Testament About the Author Augustine, the man with upturned eye, with pen in the left hand, and a burning heart in the right (as he is usually represented), is a philosophical and theological genius of the first order, towering like a pyramid above his age, and looking down commandingly upon succeeding centuries. He had a mind uncommonly fertile and deep, bold and soaring; and with it, what is better, a heart full of Christian love and humility. He stands of right by the side of the greatest philosophers of antiquity and of modern times. We meet him alike on the broad highways and the narrow footpaths, on the giddy Alpine heights and in the awful depths of speculation, wherever philosophical thinkers before him or after him have trod. As a theologian he is facile princeps, at least surpassed by no church father, schoolman, or reformer. With royal munificence he scattered ideas in passing, which have set in mighty motion other lands and later times. He

combined the creative power of Tertullian with the churchly spirit of Cyprian, the speculative intellect of the Greek church with the practical tact of the Latin. He was a Christian philosopher and a philosophical theologian to the full.

Customer Reviews

The e-publishers seem to have taken this: The Works of Saint Augustine, added this: St. Augustine of Hippo: Our Lord's Sermon on the Mount According to Matthew & The Harmony of the Gospels (admittedly a valuable addition), and lowered the price. So far so good. But why why why call it the Complete Works? One can only dream that someday someone will make a Kindle version of the following very interesting works (a partial list):1. De Ordine, De Beata Vita and Contra Academicos-three dialogues from the time of A's conversion, available here: Writings of Saint Augustine, Volume 1 (Fathers of the Church)2. On True Religion and On the Teacher, included in Augustine: Earlier Writings (Library of Christian Classics)3. The Retractions: A's own account of everything he wrote:Fathers of the Church: Saint Augustine : The Retractions4. Against Julian, the longest (and much mis-characterized) anti-Pelagian work: Against Julian (The Fathers of the Church, Vol. 35)In short, a fine compendium with an absurdly pretentious title. One star penalty.

This is an amazing compilation. >550 hours of reading for 2\$ -- what a deal! The quality of the translation and editing is excellent. I have yet to find a single OCR error which is delightfully refreshing; there's only a rare word now and then with an extra space in it. The content is surprisingly easy to understand and uncannily applicable to today's culture and time. As the moral decay of America accelerates, our society is becoming more and more like that of the ancient Roman world and Augustine's comments are becoming more, not less, applicable. Augustine addresses perennial questions such as why God lets good people suffer and why God allows non-Christian governments to rise to power. Augustine speaks into a world of moral decay and hostility to Christianity with refreshing, unapologetic candor and brilliance. He is an intelligent and amazingly well-read apologist for the Christian faith. I am so grateful to the editors and translators for making this timeless trove of wisdom available to us practically free. I am also learning a lot about the culture and times of Augustine "for free" since it's embedded in his discussions. Sometimes shocking, always interesting, this is NOT the Roman history you learn in k-12 education. Augustine also has a fascinating perspective on the philosophical giants of the past (e.g., Plato) to whom he is much closer in time and culture. Also quite different from the secular, post modern interpretation usually taught today. The format is easy to read with most chapters being less than 2 pages. The size of the document does make my Kindle run a bit slow though, particularly when underlining and taking notes. I'm curious if the Kindle Fire or other more powerful tablets have a similar issue. I haven't finished City of God yet, but I've already gotten my money's worth out of this purchase. I Can't wait to finish it.

I don't know if this was a download malfunction or not, but I got this. Table of contents button did not work on the "go to" menu. The only thing I could do was hit "go to beginning" where I was able to see the first works, and those links worked, but after the 10th item the next page after table of contents it went right to the start of "the City of God". I haven't found the other "table of content" pages, I presume the next one starts after the tractates on the gospel of John, but I didn't look that far. Its a lot a lot of page turning I didn't have the patience for. I'm sure its great material, but with this many things in one ebook, a good table of contents is mandatory. Returning this one for the other 3 dollar version.

Have had Confessions on my reading list for years, finally got it started. It is interesting as it is a foundational document for Christian Doctrine. Plus it is a personal recollection of Augustine's life in the late 300's AD. I always find it fascinating how much life is the same no matter when and how

much is changed. This translation is easy reading.

This is why I love my Kindle. I have 46 wonderful books all in one file and it might just take me the rest of my life to get through them. But how much fun that will be! I've started on his "Confessions" and am already fascinated. I can hardly wait for the other 45...

It is a great advantage to have this classic material in such an accessible form and to have such ready recourse to so great a thinker and writer.

I've read his works in other forms throughout the years, but how great to have all of them in one volume. Super easy to research subjects and of course this is St. Augustine so every thought is an intellectually stimulating gem. If you are new to spiritual works, start with his Confessions.

Oh, Lord, let me read the complete works of St. Augustine . . . but not yet.
