We spent our day out of school at the book store reading these books. He loves them we are buying all 4 of them. Great Chapter books. Perfect for 2nd and 3rd graders. Any book that makes him want to sit and read on his day off of school and a GREAT book!!

My kid eats, sleeps and breathes Ninjago. Which means, I too, spend a lot of time talking about

Ninjago. A lot. I like these books. It's fun to have stories to go with the Ninjago characters that we play with all the time. I also like that these books make my son want to read. He can't read all of this by any stretch, but it makes him want to - which is really the most important thing at his age. Fun books - I like all of these.

This was a quick and easy transaction. The product exactly as described. I would highly recommend & love shopping trusted sellers through ! Haven't read it with my 7 year old daughter yet but it's on our list!

Book was pristine and a great read for my nephew. He went nuts over them. If you like anything lego and ninja related, this will be an awesome gift.

This book was purchased for my 8-year old son who loves Lego Ninjago. Since he received this book, he has read it at least four times. I would recommend this book for any young readers who are interested in Ninjago.

My son love Zane of all the Ninjago characters. He actually loves them all, but Zane is is our favorite. This is a great line of Lego items. We love this book!

My boys LOVE Ninjago and LOVE reading, so this seemed like a perfect match. They can't seem to put these books down!
