Customer Reviews

In this vol. You get to see Sayo Hitsugi's dark past and why her and Arishi hold a strong bond together. *SPOILER ALERT!!! Favorite part of the book is when Mikoto gets jealous when Hitsugi kisses Arashi; her face is priceless!You also see the two twins for a huge chunk of the book which is fine; but I wanted to see more from the black Label after they bring Hitsugi back.You get to see a new member of the syringe group and what they are planning.SPOILER!!!Susie gets Nabbed again&The book ends with Sayo Hitsugi not wearing the mask that she usually fights with anymore (the mask had a purpose but I won't spoil what it was) and she has new amour as she prepares to fight the twin sisters again. And this time I think she'll kick ass!!!Very excited for vol 9

This is a surprisingly good and entertaining series. Yes, there’s alot of fanservice but its done while telling a good story and the action is good also.
