## **Customer Reviews**

Her book, "A Collection of Blessings" is a very appropriate book for our current times. Helen Steiner Rice, seems to connect with us at all stages in our life, and at those times we need spiritual guidance, and a restoration of thanksgiving for the blessings God showers on our lives daily. Our tendency as humans is to forget all that God continues to give us and nourish us, and we are reminded that God is for us, and is present with us in our daily struggles. Helen Steiner Rice reminds us of Gods ever present love for us. A wonderful gift for yourself, or a dearly loved friend.

These little books are uplifting to the spirit. Very sweet poems that help when you feel down or just

want something light to read.I bought several as they make a nice gift for someone that is ill.

Yet another little book filled with all kinds of blessings for any day. Just count your own blessings and look and see how you are truly blessed. Combine this with the encouragement reading and you have a terrific duo to pull you through any situation you may face. Yes I highly recommend.

I had purchased several of this particular book to give as small gifts to members of my Bible Study Group.The response was encouraging to the point where I had to order more to have them on hand.One lady wrote a card and thanked me for introducing her to Helen Steiner Rice.Her comment was, "You introduced me to Helen Steiner Rice and her beautiful poems which I have enjoyed reading and have found so meaningful". By giving this book out I received calls and cards blessing me back!Really, any Helen Steiner Rice book will reach the heart, softening the mood around you allowing one to relax and be revived.
