Synopsis

DRAGON MASTERS has it all--dragons, Dragon Stones, a wizard, and even some magic! This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina. Branches books help readers grow! In the second book in this fully-illustrated series, Drake and the other three Dragon Masters (Ana, Rori, and Bo) continue their training. But Ana's dragon, Kepri, is sick. The wizard tries to make her feel better, but his potions are not working. Drake's dragon, Worm, must use his special powers to take the Dragon Masters across the world in search of a cure. What made Kepri sick? Will the Dragon Masters be able to save her? And what dangers will they face along the way?

Customer Reviews

The second book in the Dragon Master series, "Saving the Sun Dragon", continues the story begun in "Rise of the Earth Dragon". It is also a chapter book that will engage new readers. It can be an enjoyable read-aloud for pre-schoolers and kindergarteners who have advanced beyond Little Golden Books. Tracey West has written a book that has magic dragons; features multi-ethnic

children learning to become Dragon Masters; Griffith, a wizard, complete with a long, flowing white beard, who is the Dragon Masters™ instructor; and King Roland who may have nefarious plans for the dragons and the Dragon Masters. When Ana™s dragon Kepri becomes ill, King Roland orders Griffith to heal Kepri. If he cannot, Roland will replace Griffith with another wizard. The young Dragon Masters – Drake, Ana, Bo, and Rori – help Griffith search through a – giant pile of books – as they seek a cure. Transported to a faraway land, the Dragon Masters encounter Heru and his dragon Wati who is Kepri™s Moon Dragon twin. Attacked by tomb robbers, their adventure takes a dangerous turn; with the dragons™ help, they escape. Telling Wati that he, too, is a Dragon Master, he then tells the four that he and his family serve the dragons rather than being the dragons™ masters. The four Dragon Masters and a healed Kepri return to King Roland™s castle just in time to prevent Griffith™s being replaced. – Saving the Sun Dragon – is an easy to read book. Chapters are brief, the vocabulary is not particularly sophisticated or difficult, and sentences are simple and short. The subject matter will interest young boys who may find some early reader books – boring –. There is magic and action, and there are mythical creatures that will engage children.
