## **Customer Reviews**

This book was just what I was looking for. Not just adult situations and examples, but ones that spoke to my life at 17. The fears, insecurities as well as the call to be strong, courageous and know who I am from the inside out.

Great book! Good for any young man. Easy to read and understand. Very inspiring. I am a youth leader and I give this book to each of the guys in my group (ages 12-18) when they get baptized.

This book was used by my husband and our male teen friend. It was a good study that they could do together to help strengthen and encourage eachothers walk.

This is a great book. My son absolutely loves it. This is one of the first Christian books that he read with genuine interest and enthusiasm. He also took the time to answer the questions. The service was prompt from the seller. The product was as described.

This is a great book to give any young man you know. It's such a great guide for a good character.

A nice easy read for young sons. The stories in the book are real and and properly illustrate the need for young adolescent males to pursue God in their lives!

Very good book. This will help you with your walk with God. It helps solve common problems that christian young men encounter.

In great condition. Arrived within estimated delivery. I love the concept of "...after God's own heart". The variety of books written with this title for both men and women by Jim George and Elizabeth George wisely sum up the truth of God's word on the given topic and even address topics of the Christian walk that some may be unsure how to go about; such as, "What does God expect of me? How can I grow as a Christian? How does God call a believer, no matter the age, to live and walk in His ways?" Would recommend this book!
