# Legend (A Legend Novel, Book 1)

## Synopsis

"Legend doesn't merely survive the hype, it deserves it." From the New York Times bestselling author of *The Young Elites* What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths - until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival, while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together, and the sinister lengths their country will go to keep its secrets. Full of nonstop action, suspense, and romance, this novel is sure to move readers as much as it thrills. From the Trade Paperback edition.

## Customer Reviews

I'm a dystopian book fanatic. I collect them like the Cookie Monster collects his cookies. So when I first heard of Legend earlier this year I knew I had to get a hold of it ASAP. And I wasn't entirely disappointed because Legend features a strong, kick-ass heroine, a disturbing future world, multi-cultural characters, and tons of action. Legend tells the story of two remarkable 15-year-olds, Day and June, living on the West coast of the United States now known as The Republic. This book instantly reminded me of Aladdin because Day is from a very poor area of The Republic and steals from the rich to help out his family and community. June on the other hand, has grown up in one of the wealthiest areas and has everything she could ask for and a secure future. Their paths suddenly cross after June's brother is murdered during a hospital break-in attempt by Day. The Republic's military uses June's thirst for revenge and has her track Day and bring him to justice. However, June soon finds out her safe world has not been what it appeared to be at all. I loved all the characters in Legend. I felt they were well developed and very likable. Even June's brother, Metais, who dies very early in the story, was likable. Both protagonists were strong and resourceful, though, at times, a little too resourceful. I enjoyed the alternate POVs allowing the reader to get a chance to really understand the backgrounds of both characters. But there were times when I got a little irritated with June for not being able to see the bigger picture of the evils of the Republic. She just seemed entirely too loyal for her to be portrayed as a rule breaker in the beginning. Contrastingly, I really liked Day, who struggles to provide for his family throughout the novel.
