Are you a little confused about who or what the Holy Spirit is and the role of the Spirit in your life and the church? Wondering whether or not you've "got it"? This book, which examines the person and work of the Spirit in both the Old Testament and the New, definitively answers those questions. You'll learn about the Holy Spirit before Christ was baptized, how He was manifest in the life and ministry of Jesus, what happened at Pentecost and how He is at work in our lives today. Learn how to be filled with the Holy Spirit and how you can be a channel of God's love, which is at the heart of the manifestation and exercise of spiritual gifts. Every believer should read this book. It is non-denominational and completely biblical. No matter what your background or experience, this study will enhance your understanding and exercise of your spiritual birthright in Christ Jesus.

I read it in one setting and will read it again and again. Derek Prince is one of the most easily understood teacher's I have ever known on the teachings of the Bible. His teachings are clear, concise, and to the point. You can lay your Bible down beside his material and follow it for yourself.

He is no longer with us . . . but his teachings will stay with us until Christ returns. I recommend all of Derek's material to everyone.

Because every statement Prince made is backed with scripture, the book resonates with truth. Derek Prince's style of writing is concise, yet clear. His love of the subject is very evident. The book has greatly enriched my understanding of the Holy Spirit..

This book is small and could be read in a short period of time. Derek Prince makes it very easy to understand the purpose of the Holy Spirit.

Another life changing book by Derek Prince. I cannot recommend this book enough, and indeed the entire canon of Derek Prince, to everyone seeking sound, direct, and Scripture based edification and growth in his or her Christian walk. Derek Prince continues to toil in God's vineyard, producing great harvest, even though he is physically not on this earth. Glory to God! This is further testimony of His awesome grace, allowing deep revelation of some of Christ's teachings.

An easy read with lots of scripture references. Leads one to pursue the work of the Holy Spirit in their life. A good companion study is "The Gifts of the Spirit" by Derek Prince.

I am interested in knowing more about the Holy Spirit, and was God-sent. I am learning and I am Thankful for the help. Daisy

This was one great read! Full of knowledge and information that fully supported and or enhanced the ""Spiritual Warfare" class I am current taking.
