Synopsis

Bryce Landry, country music's hottest star, has it all, or so everyone on the outside thinks. They can't see his struggle to discover himself, to find his place in unfamiliar territories, both as a dad and as a Christian. He takes a month off and escapes to the small town of Oden Bridge, Louisiana, where his daughter lives with his grandparents. Sophie Thatcher has never been a risk taker but never thought her life lacked until her boyfriend of three years breaks off their relationship. Only then, does she begin to question what she's missed by always playing it safe. Meeting Bryce is a call to action. She can let fear rule or trust in faith, which means taking the biggest risk of her life. As the weeks and months pass, they discover finding each other was easy, but holding on will be a different story. Customer Reviews

I'm just switching gears for now. I actually picked up a book to read, one from an anthology on summer romances. But, here's the kicker, the book was a Christian Romance. Romance but a clean book. I know, I know we all want the hot alpha male. That's okay, heck I know I have my faves. I love, love, love a good romance book the genre doesn't matter. Well, here I am to tell you that I fell in love with Leah Atwood writing. In her book we meet Bryce, a country music's bad boy. Bryce has had one crazy year, a year that has changed his life in the most drastic of ways. He needed to change his lifestyle ASAP! In his new role there was no time for one night stands, for drinking away his sorrows. Nope, this man needed to come to terms with the situation he was facing. But, he was lost. Lost in so many ways. One night he knew he had to make a change, but how? He found his answer in a conversation with his Gramps. That conversation led to his conversion. A year later he had to save a beautiful woman from a rogue duck! (cute story I kid you not, imagine a duck coming at you and one hot man telling you to RUN!) Sophie is an innocent and sweet young woman. She's a teacher and her life consists of her passion, teaching first grade, reading romance books and church. One day she meets a VERY attractive man. This man was everything she would never go for but so handsome. They struck up a conversation and eventually that led to each of them stalking the park in hopes of seeing each other again. Eventually a relationship was born and it was time for their worlds to collide. Sophie always played it safe, she considered herself boring. Well, her life was about to take a turn she never ever expected. Seeing them grow was just beautiful. It wasn't easy they lived two different lives.
