Forever My Love: A Christian Romance (The McKinleys Book 2)

Synopsis

FOREVER MY LOVE is book 2 in the Christian romance series The McKinleys by bestselling author, Kimberly Rae Jordan. Follow the stories of Eric, Brooke, Alicia and Victoria as their present lives are impacted by decisions and events in their past. This heartwarming series of love, faith and family is sure to inspire and move you. Brooke McKinley has room in her life for only one guy. Her ten-year old son, Danny. From her own father's betrayal to Danny's father refusal to take responsibility for his son, Brooke has learned to not rely on anyone "particularly a man" for her wellbeing or happiness. But when Danny's uncle shows up on her doorstep with the news that Danny is the heir to his now-deceased father's fortune, Brooke finds her control over her and Danny's life slipping away. Lucas Hamilton isn't surprised his brother never acknowledged his son. A child didn't fit into the lifestyle he'd chosen. But now that Lucas knows about Danny, he plans to take care of him like his brother should have. What he hadn't foreseen was the boy's mother making it clear they didn't want "or need" his help. Over the years, Lucas has gotten used to living in the shadow of his larger-than-life, adventurous twin brother, but now he finds himself wanting to step out of that shadow to show Brooke that she can count on him. Determined not to let Lucas have the chance to prove her theory on men correct, Brooke resists the temptation to rely on him for anything. However when she finds more than her theory at risk, will Brooke realize that a change of heart may bring her more than just peace? Will Lucas be able to convince her that sharing responsibility doesn't mean giving up control? And that she can trust him "not just with Danny but with her heart as well? Customer Reviews

Brooke meets Lucas when he comes to tell her that his twin, her son's father, is dead; complexities ensue, but so does love.(Though reviews are inherently subjective, I prefer to provide some organization to my opinions through the use of a personal rubric. The following notes may contain spoilers.)Plot and Setting: 4 -- Plot has unique elements and no major holes, but a few shaky bits and/or a slight lack of focus. I loved the plot up until the very soap-opera-ish twist, which I'm not a big fan of. Setting is clear and believable. Timeline may be a bit hard to follow. Though it's clearly summer, more exact dates are never given. There's mention of events in book 1 being almost 6 months before, which makes me think it's at least July, but then later on there's a comment about something 'earlier in June,' which doesn't seem to fit. More clarity would be nice.Characters: 5 -- Relatable, realistic, interesting, dynamic characters. Brooke's mistrust of men started with her father's affair, and Lincoln ignoring the opportunity to be in Danny's life just reinforced it. Lucas's steadiness gets past her walls, though. He's used to stepping up and taking care of people, which he quickly extends to Brooke and Danny. Brooke helps him see he can't control it all. Even minor characters have depth, as do the relationships between characters. Lindsay, as an independent, opinionated woman like Brooke, is a fun character. Amnesia-Lincoln is a little odd, though, as is Sylvia's initial response.Mechanics and Writing: 3.5 -- Scattered typos, punctuation issues, or word errors, but nothing that seriously hinders understanding. Some small things left highlighted by a proofreader, etc. Basically needs another run-through by that proofreader.
