Something Of A Storm (All In Good Time Book 1)

Synopsis

Laney Spencer had a crush on Zack Callahan for as long as she could rememberâ "not that it would ever amount to anything since he was way out of her league. She was stuck in a rut and needed to make a change. She was a talented artist and had been encouraged to move to San Francisco to pursue her dreams. Days after her little sister graduated high school the two packed their truck and headed south to California. Laney was ready for a new start and assumed everything would go perfectly. She assumed the transition would be painless. When her assumptions proved wrong, all she could do was trust that God's plans were better than her own... especially when His plans included finding the man of her dreams.

Customer Reviews

I love a good romance that has a nice bit of intensity to it and manages to tie up everything in a nice bow at the end. I don't like cliffhangers or hard lessons in the endings of my romantic tales and I definitely got exactly what I wanted with author Brooke St. James' latest novel, "Something of a

Storm". The story of Laney, who decides to make a break from her small town and alcoholic mother to pursue her art career in San Francisco. She takes her 17 year old sister along to provide a better life for her and finds much generosity along the way, as well as a bit of adversity. An unexpected illness slows her down but also brings Zack into her life, who changes everything for her. Loved everything about this story. The writing was very engaging and I tore through this in one sitting. The secondary characters were great and the ending was very touching.

Another great contemporary Christian romance by Brooke St. James! Laney is a girl who happens to not be very fortunate when it comes to her family situation--her mother is irresponsible and didn't care too much for her. When the time came, Laney and her sister Lexi left town in their truck, to California, where Laney planned on pursuing her dreams. I thought this book was greatly enjoyable because while it is a romance book, it does have elements of faith and spirituality--not to mention that it was almost impossible to not love Laney! Truly fantastic!

â œSomething of a Stormâ • is an excellent addition to the romance genre and, I feel I must note, also very tasteful â “ I am sure a wide variety of readers will be able to appreciate the story that author Brooke St. James has crafted. The chemistry between Laney and Zach is expressed wonderfully and it truly seems dynamic, genuine and realistic â “ an obvious must and essential element when it comes to romance books. They each seem very three-dimensional in their own unique ways and their strengths and flaws tend to contrast with the others in many of the scenes. Well worth the read.

Brooke St. James has done it again. I really enjoyed reading the story of Zack and Laney were truly meant for each other. It also let Lexi come into her own. I love happy ever endings. And she delivered big time!!

Honestly, the beginning of this book had me questioning why I was reading it. This is not a light-hearted read but, WOW!! I think we've all experienced trying circumstances and God never fails to be faithful. This book is a prime example of Isaiah 61:3!

Truthfully, I wish I had not even started it. I don't care if it gets better after chapter 2 or not, I did not like reading about rape and a knife stabbing when I was expecting a love story. It was too much. And unexpected. In a regrettable way.

This book was such a sweet read! It's told as a narrative, and the main character, Laney, has a funny, somewhat dry, personality. Many things she said or did reminded me of myself, so I connected well with this story. Zack was an absolute sweetheart. And I felt just as proud of Lexi as Laney did. I just really love the direction it went -it wasn't the typical storyline and I honestly had no idea how everything was going to turn out until the very end. I laughed, I worried, and even teared up a little while reading this. I really liked it! (I finished it in about 8 hours, with only a few breaks in between, if that says anything!) Haha. I definitely recommend this book!

It was a good story. I hate that it had so much of Laney's sickness in it. I liked that Laney was protective of her sister, Lexie, and I'm glad that Laney found someone to love her no matter what. Zack sounds like a super guy, and I really loved the part when they went to grocery store and helped so many people. I've dreamed of being able to do that!!!!
