Customer Reviews

I purchased this as a gift for my 11 year old daughter, and she's really enjoyed reading through it. It covers a lot of different subjects, enticing the reader to do more reading on their own. My daughter was a little frustrated by the lack of depth, but I think it's great that she's had an introduction to things she might not have chosen to read about on her own. The book is very bright and colorful. It can be a little distracting at times with all the colors and text boxes, and the print is tiny. That isn't a criticism, but some children need a cleaner, less cluttered design. It's provide us with hours of

reading.

My son is in heaven! He loves this Almanac. It came in very quickly. It is a good way to get your child to read.

Got this book for my 9 year old daughter. She loved it! she never stops reading and talking about this book.
