Chaos In The Blink Of An Eye Part Four: The Countering

Synopsis

Was #1 in Hot New Releases in Christian Futuristic Fiction and Religious Science Fiction & Fantasy for 3 straight weeks! After countless millions silently and mysteriously vanished from the face of the earthâincluding all small childrenâin the blink of an eye, the world was plunged into unbridled chaos. In the days following the Rapture of Christâs Church, the ultimate enemy of God raised up his primary human agent in the flesh to carry out his diabolical mission, Salvador Romanero. With a secret society working feverishly behind the scenes, and with Romanero being supernaturally empowered by the prince of darkness, the former lawyer from Spain quickly rose above the landscape of humanity to become the most powerful man on earth. The Miracle Maker, as Salvador Romanero was known throughout the worldâafter various predictions heâd made had all come trueâwas about to perform his greatest miracle: peace to a tiny country that had lived in constant fear since its inception, the nation of Israel. But not everyone was sailing on the Salvador Romanero cruise ship. With the promise of peace thick in the air in Israel, elsewhere the armies were already gathering...

Oh my word... I just finished part 4 of Chaos In the Blink of an eye...and now I can't wait for part 5, 6, 7, 8, 9 and then 10...If you want a fast paced exciting story, read the first three books and then this one...Oh wow...The characters become like family and you will cheer them on, cry with them and hold your breath that they will make it to the finish line. There are twists and turns and a few mysteries... The author has stuck close to scripture and shows how important it is to turn to the Lord while there is still time.. He tells the story of those left behind after the rapture of the Church, and what these tribulation Saints go through and what they will go through as the daytime is coming to an end and the darkness is starting to descend in the person of the Anti-Christ ... It will leave you wanting more...and having to wait for the next one to come out, is a killer... I would really love it if the author wrote them three at a time... :) Late fall is a long time to wait for #5...But I will wait... I read this in about 3 days... I should had slowed down in reading, but alas, it was just too good to put down...Now I will have to wait for the next one...

This great series just gets better and better. The anti-Christ, the smooth talking Salvador Romanero has been steadily gaining power and followers.This so called "Miracle worker" has pulled the wool over the eyes of many, including former religious leaders, such as the leader of the Catholic church, the pope himself. Since all the children of the world, in their innocence have disappeared during the Rapture, his plan now is to repopulate as soon as possible. Thus, he issues a proclamation for all women to get themselves pregnant. Marriage is not a requirement . Of course these new souls will be committed to Romanero. There is a flaw in his plan, however. It is called the ETSM (End Times Salvation Movement), an organization of redeemed Christians that will cause a lot of problems for him while also winning souls over to Christ. This group must operate underground for now, knowing that they will be targeted for punishment or even killed. A 'peace treaty' is about to be signed in Israel that will certainly cause 'Chaos' in the world, not peace. Characters of the previous books in this series will be reintroduced as you follow along with their parts in the end times.What a delightful addition Higgins has added to this saga. come on book five.

Perhaps enjoying is not the right word, but I'm definitely hooked. The story is presented slightly different than others I've read and has helped me to search the scriptures. I also want to thank the author for writing these books. I was lukewarm, and barely that; these books have been a lifeline for

me. I've a long way to go, but at least I am now searching once again for that intimate relationship with my Lord and Savior and walking with Him once again. May God bless you as He has blessed me through you.

Well developed characters that are interesting and captivating. He has told the story line with just enough challenges with the faith of everyone some come to believe and some do not.

I have read all four books and each one I was reading I could hardly put down the book. These are some of the best Christian books I've read in a long time
