East Of West Volume 2: We Are All One

Synopsis

This is the world. It is not the one we wanted, but it is the one we deserved. The Four Horsemen of the Apocalypse roam the Earth, signaling the End Times for humanity, and our best hope for life, lies in DEATH! The second volume of the Eisner Award nominated series is finally here! "We Are All One" follows our cast around the fractured future-scape of America as we learn more about a world that's rapidly coming to an end.

Customer Reviews

Jonathan Hickmanâ™s EAST OF WEST VOL.1 got things off to a decent start with our main protagonist, Death, as he wondered through an alternate dystopian future setting up for the End of Days running from his fellow Horseman and the Chosen because he fell in love with a woman named Xiao and they had a son who is hidden somewhere. It may not be anything for Hickman in his growing rÃ©sumÃ©, but with artist Nick Dragotta adding his pencils to the series; it gives off a decent sci-fi/western vibe to make it just different enough from the pack out there. Now we have volume 2 where the plot slows down a bit from Death and we get some backgrounds on The Chosen and a new character. EAST OF WEST VOL.2: WE ARE ALL ONE collects issues #6-10. With Death now knowing he has a son, the Grim Reaper is out on the trail to find him, even if it means going to the oldest prison on the planet and seeing the Oracle. The Three Horsemen and The Chosen now have to decide what to do next about stopping Death and furthering the coming of the Apocalypse, but first things first, each Chosen has to return to their respected nations and

review their own countries dilemmas. While EAST OF WEST is really a character/world building series, volume 2 elaborates on this further than volume 1, with little to pushing the plot forward. Every issue we mostly get origins and backgrounds to each of the Chosen and his/herâ™s countries history in different ways. The first aspect of this is Bel, who although isnâ™t an origin directly on him, but his origin sets in motion a new character named the Ranger(s), a Judge Dredd-type character that you understand their sympathetic and justice-fueled history.
