God Is With Me Always And Everywhere

Synopsis

This faith formation resource introduces children ages 4-7 to God's loving presence in every moment. Appealing to children's delight in creation, *God Is with Me* explains that the wonders of our world are signs of the presence of God. Relatable examples grounded in children's sensible and everyday experiences assure children that God is with them-always and forever-even when they make mistakes. Rhyming stanzas and delightful illustrations reveal that God is with children in their past, present, and future. First, children are reminded of their Baptism, the special day when they became a child of God and a friend of Jesus Christ. Then, they discover that the Church, the Virgin Mary, guardian angels, and the Eucharist are all ways to experience God. Lastly, the theological concepts of heaven and eternity are introduced. This comprehensive perspective lays the foundations for children to develop and maintain a personal relationship with God.

Grade Level: 3 - 7

Customer Reviews

God is With Me Always and Everywhere is a little hardcover children's book that teaches your children about God's presence. It is from the same author who brought you *The Queen and the Cross* and *The Saint who Fought the Dragon*. The book starts with Baptism, where a baby first becomes the child of God and then follows children in everyday situations, including school and interactions with siblings. It also teaches children the importance of the Virgin Mary and angels, particularly their guardian angel, in recognizing God's presence. Your children will learn about God's

unending and unfailing love for them. Even when children make mistakes, and they will, they will be assured that God still loves them, wants to forgive them, and will be with them always (if they let Him be). I appreciated the poetic way the words rhymed and flowed on the pages to make for easier reading. I also really like that this book is multi-ethnic, making it so that children of all races can relate to the pictures in the book. If you are looking for a book that emphasizes to your children the importance of forming and keeping a relationship with God, then look no further than God is With Me Always and Everywhere.

Through an appealing style of poetic rhyme, the author of God is With Me, Always and Everywhere instills the awareness of God's continual presence in the minds of children and adults alike. The verses present a vivid portrayal of God's mercy as a constant element of His magnificent love for His creation, despite their shortfalls. God is With Me, Always and Everywhere is a recommended read for all children of ages 5-8 to help them grow in their awareness that they are loved unconditionally by God.
