Customer Reviews

This book is very user friendly. It can be used across multiple age groups. Considerations are made for limitations of younger students. It adds variety to your Books of the Bible lessons. If you are teaching the Books of the Bible, it is a very good resource and definitely worth the price.

I enjoy teaching by using games. it is more fun for the children, making it more fun for the teacher. I would recommendThis book to anyone who teaches Bible skills to children.

The book didnt contain games, it more explained various games. I was expecting more games in the book. Will use but didnt meet my expectations

A bit disappointing for what I was expecting. Otherwise it is Okay. Not as much variation as I was expecting.
