The Enchantress Returns (The Land Of Stories)

Synopsis

After decades of hiding, the evil Enchantress who cursed Sleeping Beauty is back with a vengeance. Alex and Conner Bailey have not been back to the magical Land of Stories since their adventures in The Wishing Spell ended. But one night, they learn the famed Enchantress has kidnapped their mother! Against the will of their grandmother, the twins must find their own way into the Land of Stories to rescue their mother and save the fairy tale world from the greatest threat it's ever faced.

Customer Reviews

I just finished reading "The Land Of Stories: The Enchantress Returns" and I still have a smile on my face! I really, really loved this book, and thoroughly enjoyed reading it. Following I'll share my thoughts with you - there are a few *very* minor spoilers in this review, but nothing I would consider to be especially plot-relevant! About the story: It's been a year since twins Alex and Conner Bailey were magically transported into the Land Of Stories and went on a quest to put together the Wishing Spell to find a way back to their own world. A year since they found out that they are children of both worlds, and that their grandmother is the one and only Fairy Godmother. But adventure awaits the Bailey twins again when their mother is kidnapped and taken to the fairytale world by an evil

enchantress who wants to rule over all the kingdoms - and more. Together they travel back to the Land Of Stories, where they soon find out that another quest is in order. Only this time, they're not alone! They are joined by an unlikely quartet, and together this group must find a number of hard-to-collect items in hopes of putting together the Wand of Wonderment - the one thing that might help them defeat the enchantress and save the world!

Let me start by saying that I really enjoyed the first book in the series, "The Wishing Spell", and thought it was good - but I also felt that it still left room for improvement (as is often the case with books by first time authors). Naturally I was excited for the sequel, "The Enchantress Returns", and the book did not disappoint! In fact, I have to admit I actually liked this one better than the first one ...
