Cursive Handwriting Beginner : Children's Reading & Writing Education Books

Synopsis

When teaching cursive writing, it is important that a child be informed that fancy slants, loops and curves are not required. Theyâ™re actually not the goal of this writing style. Rather, cursive writing should be simple and functional. After all, what really matters is its purpose, which is to improve thinking, language and working memory. Start your childâ™s training in cursive writing today!
