Dead Silence (A Valkyrie Novel - Book 5) (The Valkyrie Series)

Synopsis

What readers are saying about the Valkyrie Series:"...a beautiful mixture of mythology, fantasy, and adventure""... a great adventure that kept me riveted from start to finish.""...book was brilliant! I couldn't put it down...a real emotional rollercoaster that had mine all over the place and my heart beating in time to theirs..."...beautifully written with strong, vibrant prose, engaging characters and a wonderful story..."Ragnarok is upon the worlds, and the time to fight is now.Â They come from all of the Nine Realms. Dark Elves, Dragons, Frost Giants, Elves ... They all come to fight for Odin.And they answer to Valkyrie Brynhildr.Tricked by Loki, Bryn is now imprisoned and finding a way out is harder than it seems.Time is running out for those who fight for OdinWhile Aidan's absence is felt by all, Bryn and her team know there is no time to waste.But Bryn is determined to find him, and stop him using every means necessary. From poisoned water to black goo, to an electronically monitored Bifrost, Bryn will use all the tricks up her sleeves to save Odin and the Nine Realms.The war is here and disaster reigns across the Nine Realms.The beginning of the end ...Â RAGNAROKÂ Â In this, the 5th, and final, exhilarating installment in the Valkyrie series, Bryn takes on Loki with her eye on bringing him to the Vigrid Plains, the site of the final battle of Ragnarok. From all across the world, Bryn and all her teams do all they can, battling natural disasters and murderous attackers to prevent the end of the world.

Customer Reviews

WOW. I love her books. I have all 5 of the Valkyrie Novels and love everyone. No spoiler alert, but if I was that kind of person. Well anything I could tell you about the story would only make you want to read these books for yourself. They are filled with the Nordic gods and their legends. I wish these books were on the recommended reading list in school as they would make learning, at least about the myths of the Nordic people, so much more pleasant.

While this portion of the story comes to a conclusion, I look forward to a more adult setting for further adventures. I do want to point out that the editing could have used some improvement; there were a lot of grammatical errors. However, the mythology was great and I still recommend this series.

The Valkyrie journey with T.G. Ayer has sadly come to an end. Hours have been spent going on journeys to new lands, developing relationships with fictional characters, and enjoying great writing. Most of the Valkyrie series is an epic adventure. As this is the final installment in the series it takes on a dystopian vibe in preparation for the battle of Ragnarok. There is more action than adventure. There is a lot of emotional angst to overcome as Bryn has not only laid her best friend to rest, but her first boyfriend as well. I truly felt the cloud of darkness that swept away Bryn on this emotional passage. Loki became enemy number one in my book as he caused vast amounts of demise with no qualms over the pain he pushed on everyone. The ending caught me by total surprise. It's hard to describe it without giving anything away. In a sense it is more of a short literary twist than plot twist. Venturing through mountains of journeys with fictional characters the norm has become to expect the unexpected and never the prediction. This final installment is going throw people for a loop. Grab your copy today to find out what all of the hype is about. Want to start this journey? The first book is free on . A 5 star read!

Manda's 5 Star Review I am just completely blown away by this series!! From start to finish this was one fantastic ride. Full of action, adventure and heartbreak. The writing the whole way through is fantastic and the story never lags or drags on. I completely fell in love with all the characters and the

direction of the story. I am a huge fan and cannot wait to share this series with my friends and followers. I cannot wait for them to experience this fantastic adventure!! I am a huge fan and will definitely be reading more from this author. I am just completely blown away by this series!! From start to finish this was one fantastic ride. Concluding the series is stirring in that as intriguing as the journey has been, you aren't ready for it to end. Enjoyed all of its twists, surprises, insights, dramas and characters. Great Read!

This is a wonderful book with action, romance, and mystic characters. I couldn't stop reading it and all of the rest of the series as well. I personally think this could make a great movie.

A good fantasy of Norse Gods and girl power, plenty of action and adventure, Bryn gets herself in and out of many dangerous and exciting situations. Good read.

this book was well written as a whole but I gave it a four because the ending was kinda anti climatic. I still highly recommend this book and series though.
