Good Night Toronto (Good Night Our World)

Synopsis

Many of North America's most beloved regions are artfully celebrated in these boardbooks designed to soothe children before bedtime while instilling an early appreciation for the continent's natural and cultural wonders. Each book stars a multicultural group of people visiting the featured area's attractions; such as the Rocky Mountains in Denver, the Georgia Aquarium in Atlanta, Lake Ontario in Toronto, and volcanoes in Hawaii. Rhythmic language guides children through the passage of both a single day and the four seasons while saluting the iconic aspects of each place. Customer Reviews

I purchased it for a friend from Canada. She loved it. I think it was passed on to a relative who actually lives in Toronto. Great way to incorporate reading to children and learning about their city, or other cities (there are versions for NYC, etc.).

I bought this book for my niece and she really loves it. The book highlights all the major attractions around Toronto. It doesn't follow the "Good Night Moon" rhyming at all, but I don't miss that. I will be

buying another one for my son when he is a bit bigger.

Cute book I bought these for my daughter for Christmas of all the places we have lived so she can read them and learn about them. This was a good one!

We buy these books for our 2-year old wherever we travel and she loves them! They are a great souvenir and help her remember where we visited!
