## Customer Reviews

I wanted this translation and am generally satisfied, but the print is a little smaller than I am used to. I would like slightly larger print.

Perfect and affordable for my bible study needs. I can highlight and write notes all over this and the pages hold up. I love my bible!

The New Revised Standard Version Bible is reported to be the closest English translation from the original Hebrew and Greek texts.

Despite the description of the product that says, "with Deuterocanonicals/Apocrypha," it does not contain it. Was very disappointed with that. Was great about the return, but should really change the description.

All Bibles are awesome. I was cautious with buying used, but it came in perfect condition. Would do it again.

Print is easy on my eyes and of course the price is right. No frills but that is what I wanted.

This New Revised edition makes reading & understanding the bible very easy.

I wish I could have compared editions. That IS the advantage of buying in a local bookstore. The more you can approximate that experience, the happier I am with you. Yes I know you sometimes offer snippets for comparison, but that doesn't substitute for a quick view of several alternatives. Here I actually did some research on which version to choose, but it's not the same as seeing the books.
