The Walking Dead, Vol. 8: Made To Suffer

Synopsis

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. The series that created the zombie movement reaches its most pivotal, series-altering arc yet! They thought they were safe in the prison. They were wrong. A force far more deadly than the walking dead is at their door and when the dust settles, their rank will be reduced by more than half. No one is safe! Reprint Edition

Book Information

Series: The Walking Dead (Book 8)

Paperback: 136 pages

Publisher: Image Comics; First Edition edition (July 15, 2008)

Customer Reviews

Most of the folks here already know that The Walking Dead saga is a compilation of stories by Robert Kirkman that expand on the story that is well know to any zombie movie fan....The main story. The one started in earnest by George Romero in 1968 with Night of the Living Dead [and was later remade in 1990 (the version that I prefer) by Tom Savini (with Romero oversight)].The Walking Dead Volume 8 continues the story of former Normal-World Police Officer Rick Grimes and those that he comes in contact with in a New World...a world that has been over-run by zombies.I'd agree with you if you thought that maybe The Walking Dead, Vol. 7: The Calm Before took a major pause in the epic series to focus less on zombies and more on what happens to society, its morals, laws and standards when government is lost and the planet becomes mostly uninhabitable.You'll

probably recall that previous volumes in the series showed how venturing out of the confines and security provided by the characters' home (established in Volume 3) are less than safe.
