Acts: Seeing God's Power In Action (Lifeguide Bible Studies)

Synopsis

Do you ever feel powerless? It was not always so for the people of the early church. Jesus transformed their lives--and they changed the world! Acts is the extraordinary record of what these early Christian disciples did. The power that you see in action in this book is the same power that can transform your life. As Phyllis J. Le Peau leads you through the pages of Acts, you will begin to understand what the Holy Spirit can do in you and in the world. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection. Included are expanded leader's notes and a "Now and Later" section in each study.

Customer Reviews

We are using this book as our study guide for our Sunday School Class. It is very good as are other books in this series. Great for discussion/interactive type discussions/classes. Evelyn Griffin

We use this in a weekly bible study of mostly middle aged adults. The book has been very good at generating personal reflection, sharing and further study into the book of Acts. We read a chapter a week so it will take a while, but we actually like that pace. The lessons are such that if you can't be at every session you don't feel lost, which has been helpful as we all have busy lives.

The only reason I am not giving five stars is because the print is so light it is difficult for me to read.

We are using this book in a Bible study to which I was a late joiner. It is very good.

Good Bible Study - Could have gone a little deeper into the Holy Spirit
