ISBN-13: 978-1840594737

Product Dimensions: 5 x 0.7 x 6 inches

Shipping Weight: 7.8 ounces (View shipping rates and policies)

Average Customer Review: 3.9 out of 5 stars [See all reviews](#) (15 customer reviews)

Best Sellers Rank: #360,569 in Books (See Top 100 in Books) #82 in [Books > Children's Books > Education & Reference > Reference > Dictionaries](#) #1216 in [Books > Children's Books > Education & Reference > Foreign Language Learning](#) #3805 in [Books > Reference > Dictionaries & Thesauruses](#)

Age Range: 1 - 4 years

Grade Level: Preschool and up

Customer Reviews

I bought this for my daughter. I am from Brasil. The pictures in this book are colorful and nice. The Portuguese translations are not all current or correct. I would not recommend this for readers interested in up-to-date Brazilian portuguese.

This is a great little book. It is best for kids in bilingual families who are at that stage of wanting to name things; the board book presumes that the adult reader knows enough of the second language to pronounce the words. Our grand-daughter liked repeat reads of this book. It contains enough words to be really quite useful to the adult reader whose vocabulary in the second language needs development!

This book is really cute and has a lot of pictures to reference. It is great for bilingual babies and children. I would have given 5 stars except the last two pages which is "colors" was in a different language that I do not recognize, obviously a printing error but still not acceptable (the rest of the

book is Portuguese/English). Returning the book because of an error on two pages was more of a pain so I just kept it.

The pictures are not that great and translation is poor for quite a few words in this dictionary perhaps because it does not specify if this is Brazilian Portuguese or not. One example, the picture of a coffee cup is translated to "chavena" (?) instead of xicara....Publisher should specify what kind of Portuguese this is and/or do a better job at translating the words. Do not recommend this book.

I gave this book to a family where the Dad speaks Portuguese so he could read to his daughter - he loved it. The Mom also loved it too, because it helps her with her Portuguese.

I gave this book to my "foster" child in Brazil. She tells me that she loves it and she reads it every day.

I like this book because it covers every day to day things in it. From body parts to foods. My 18 month old loves it and wants to look at it all the time. It's a great way to introduce another language.

The problem with this is that it doesn't show how to pronounce the words. If you can't say it, then it just doesn't make sense to be learning it, you won't be understood.
