I bought the 1st issue of this series as an Easter gift for my grandsons, and they LOVED it! So bit by bit I will complete the set. Anything that will get any child interested in learning about the Bible is wonderful to me.

My 9 year old son reads and rereads these again and again. They never get old! He's been doing this since he discovered them in our Christian book store at age 7. They have great photos and create such a big interest in the Bible. Highly highly recommended.

She really enjoys this and I love the fact that after she reads these, she goes to her KJV to read it. I will be buying the entire series.

This item was perfect for my 10-year-old daughter who loves graphic books and adventure! Really great value in the price.
