MAIL ORDER BRIDE: The Elaborate Switch: Western Romance

Synopsis

Young teacher, Brigit Huxley, is a strong and independent young woman. She knows that the man she will marry will be one whom she loves, and who loves her. But when a besotted admirer kidnaps her and arranges for it to look as if her virtue has been compromised, her mother insists on marriage to the monster. Brigit has other ideas. With a plan to get to California, she runs away to the coast and takes a job as a hotel maid, to save for her boat fare. She overhears one of the wealthy guests, a man with two sweet young daughters, discussing the disappearance of his mail-order bride. Brigit hatches a desperate and elaborate plan to take advantage of the missing bride and accompany the young family back to San Francisco. Soon her deceptions begin to unravel, and the past begins to bite her heels. How will Brigit get out of the situation without hurting the innocent family she has fallen in love with?

Customer Reviews

This is one of the Plain and Simple Miracles Series. I do enjoy Vanessa's book; they touch your

heart. This book is well written, humorous, and heart warming. I know you will enjoy it. I especially liked her characters. Sarah Yoder lost her bi-polar father after he ran off in the middle of a storm. Her mother is suffering from grief and depression. Sarah and her eldest brother are left caring for their younger siblings. They had really been the care givers of the family for years. One day Sarah almost runs over a child in her buggy. She follows him and finds a young boy caring for his sick sister. She brings them home and falls in love with these two. She takes classes to become their foster parent even though her house is full of siblings. Paul Byler comes to Cody Creek to help care for his brother after he has a heart attack. Paul is now helping his sister-in-law run the store but dream is to have his own place. He has a chance to buy a small farm next to the Yoder farm. He heard someone in the store one night but found no one there. Someone had stolen a bottle of Children's Tylenol. He is not surprised when Sarah finds the two children hiding close to the store. He is drawn to Sarah and her family and asks her brothers to help him with his dilapidated farm. A journey of a desperate girl trying to care for a houseful of children that she loves. Trying to understand the abandonment of her parents, and the man trying to help them as he stands by her whenever she needs him. God has a plan for this broken family and it is an awesome plan. God has a plan for you too. Turn you heart over to Him and watch Him work in your life.

I enjoyed reading this sweet, emotional, clean, Christian love story. Heroine is desperate when she runs away from her dire situation at home. She just wants out of having to be forced into a horrible marriage. She desperately flees and meets a mail order bride that doesn't want to be a mail order bride and takes her place. But the poor heroine is heartbroken to know that her past just won't let her be happy. She struggles to keep things hidden but gets nowhere. Things go from bad to worst as story progresses. But with faith, love and the right support anything is possible. Very cute story. I enjoyed climax scene and ending. Hero really went full protective mode when he finally realized what was going on. My favorite type heroes :) Very clean read, however I loved the chemistry between the couple. Great storyline. Gave it 5 stars. Just loved how much was written well in such small package.

A very moving story where a Lady is being forced by her family to marry an older man she defeats. The girl overheard another woman telling about not marrying a man she had promised to, she took the woman's place and married the man and everything was fine until the woman showed up wanting money. A must read for those who enjoy historical western romance kindle books from at a special price and from a special author who keeps me entertained throughout the entire book before

putting it down.

This was a wonderful, fast read about love, betrayal, hope, and courage. Don't miss this enjoyable mail-order bride story.

I enjoyed reading this story and was a nice change to have the story on and off a boat. Very Good
