# Mail Order Bride: The Foundling Girl (Historical Western Romance)

## Synopsis

DOWNLOAD FOR FREE WITH KINDLE UNLIMITED Beautiful Leila Mason is a foundling. When she was an infant she was cruelly snatched from her parents as an act of revenge which went dreadfully wrong. The kidnappers panicked, and abandoned young Leila in a carriage. The people who found her loved her and gave her the best life possible. However, one day Leila's life as she knew it changed forever under tragic circumstances. Now orphaned, she is forced to live with her cruel aunt and uncle, who try to marry her off to a wealthy tobacco company owner for their own financial benefit. Leila takes matters into her own hands and begins corresponding with a handsome and ingenious young man out west named William Porter. With the help of a beautiful and quite catty young lady named Vivian Hopkins, Leila soon learns that not everyone is who they say they are and there is far more about her life than she ever thought possible. Leila begins to unravel shocking truths about her past. Can she ever escape the cruel control of her aunt and uncle? Will her future be the happy, loving one she desperately longs for? Find out in this wonderful clean and wholesome Mail Order Bride story from Emma Ashwood Filled with suspense and romantic interest that will keep her avid fans enthralled until the revelations come in a surprising finale |

## Customer Reviews

Separated from her family in a botched kidnapping and abandoned in a nearby carriage. She was wearing a particular neck lass at the time, which is an important part of the story. Leila is found by the Masons and raised as their own in a loving affluent family, till her adoptive parents are killed in a train wreck. Then she lives with a mean aunt and uncle who squander her family's wealth and ran their business into bankruptcy. They are trying to marry her off to a creepy old rich man that wants a son. She responds to an ad from Blake, a man looking for a wife and they marry in San Francisco. Her aunt and uncle are not happy and plan to retaliate. It's a great romance, almost a fairy tale. I'd say it was great if it wasn't so predictable.

The story began as a baby was stolen from its parents by the bridesmaid then dropped by a couple who had no children. The couple adopted her and she lived with them until their deaths, then she went to live with family that treated her badly. She is to marry an old man and runs away to be a Mail Order Bride. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me entertained throughout the entire book before putting it down.

Wonderful characters with full details make this a good adventure. Recommend to all readers of Mail Order bride stories. Wish it could have been longer. I enjoyed it.

Kidnapping is so wrong.! There are too many children being abused. I was so happy to read of a happy ending. Sonja Stover Bracey
