PROCESSED: Understanding The Process Of The Anointing

Synopsis

Have you ever wondered the processes you have to undergo in order to be truly anointed? Then this book is designed for you. Have you ever wondered where you are in your Christian journey? Then this book is for you. "Processed" uses the steps an olive endures in order to get its oil released and compares the Christian journey to those steps, to show you, how the Lord releases the anointing oil from you in a similar manner. Understanding how the Olive gives us its oil, helps us to see how we also release our oil for all to use. As you dive into the contents of this book, you will begin to notice similarities in your own life and you will be able to categorize your experience to various levels of the outpouring of God's anointing. At the end you will want to experience God's processing as you know it is working for you an eternal weight of glory for his name sake.
