Hott Review:What I liked: Not even six months ago my Doctor told me that I needed to learn a new word "No." It's always been a problem for me. So I added this book to my TBR list. A Young Woman's Guide to Setting Boundaries amazed me. I was shocked at how easily Allison Bottke got to the heart of how I felt. Even though I'm way past my teen years this book still helped me process and move past some of what I was still holding on to with biblical principals and practical advice. This is one book I'll be sharing with everyone! What I didn't like: I SO wish I had this book fifteen years ago when I was floundering! More!
