Wonderfully illustrated, a great summary of the movie. My 4 year old thought it was very cool that he had "ghosts" in his nighttime storybook. Three versions of this Ghostbusters Golden Book are for sale on : a girls version, a boys version, and a combo. I considered buying the combo, but decided to buy the Girl Ghostbusters... Why? Because in a few months I WILL buy the Boy Ghostbusters and hear my 4 year old son say, "Wait, boys can be ghostbusters too??" What a gift for us moms who were little girls in the 80s!

Really cute book with great pictures. My 6 year old loves it and was so excited Little Golden books came out with Ghostbuster's books. These are appropriate for all ages and the ghost pictures are

great. A must have for anyone who loves Ghostbusters or Golden Books. Note: There are some larger words so these are not ideal for beginner readers.

This book was adorable and awesome! I loved the movie and this little golden book is just perfect! The art is great and cute and the story is told in the best way for the format. Love it!
