## Customer Reviews

As always, Sherri Winston is a master showing us the ups and downs of girl power. In this election cycle, the story is especially timely and relevant but who cares about that? It's a fun, funny read that lets all us powerful girls learn and laugh about ourselves.

President of the Whole Sixth Grade  
By Sherri Winston Sienna Jeffries (Narrator)  
Brianna Justice is now in the sixth grade and she is president of her class, a class that has no money for their class trip to Washington DC. Brianna determinedly plans fundraisers hoping to make enough money for their trip, unfortunately things are not looking up. One of the sixth grade teachers gives the students an assignment to compare life in the middle school to life in ancient times. As Brianna faces

problem after problem she begins to ponder life in Ancient Rome and how it compares to what she is facing. President of the Whole Sixth Grade is a delightful tale for upper elementary school and middle school. The story is very funny and fast paced. Previous fans will be thrilled and new readers will become fans. Sienna Jeffries does an excellent job narrating this audio book. Author herri Winston nails it with this book. She understands the way sixth graders think. On top of that the subject matter is very relevant at this time with the campaigning for the current US President taking place.

This is a review from my 11 year old daughter: "This is a very entertaining book with a determined, hard-working girl as the lead character. I enjoyed reading this book and highly recommend it."
